From: Idaho Sportsmen's Caucus Advisory Council (ISCAC)

Subject: LAP Program

It is the position of ISCAC that the LAP Tag Program be returned to its original intent and structure on the following three issues:

1. Landowners that draw tags may designate any member of their immediate family as the tag holder (immediate family defined as blood or marriage related). The designee will be issued the tag and the tag is not transferable. Only one (1) person may be designated for a partnership or corporate landowner.
2. Reasonable Public Access, as agreed to by the landowner and the Idaho Department of Fish and Game, is a mandatory requirement for eligibility in the LAP Program.
3. No more than 10 percent of the tags in an over-subscribed unit may be designated for the LAP Program

Voting Data: 22 Member Organizations Support Position, Idaho Trout Unlimited did not cast a vote.
