### ***ISCAC Position Memo on Guiding for Upland Birds, Waterfowl and Turkeys***

#### **The Idaho Sportsman's Caucus Advisory Council (ISCAC) Opposes Guiding for Upland Birds, Waterfowl and Turkey**

In 1989 the Outfitters & Guides Licensing Board adopted an official policy to place a moratorium to prohibit new guiding opportunities for upland birds and waterfowl in cooperation with the Idaho Fish and Game Commission. In 1992 the prohibition policy on guiding was extended to include turkeys. The Idaho Fish and Game Commission has reaffirmed their supported for the prohibition at board meetings in 2006 and 2008.

ISCAC strongly believes that the limited number of places in Idaho where ordinary sportsmen can go to hunt ducks, geese, upland birds and turkeys are currently insufficient for the demand. Secondly, ordinary Idaho sportsmen are seeing a reduction in their access to private land for hunting of upland birds, waterfowl and turkeys. ISCAC believes that if guiding for upland birds, waterfowl and turkey is allowed, access for ordinary Idaho sportsmen will disappear at an accelerated rate.

#### **Again, ISCAC Opposes All Guiding for Upland Game, Waterfowl and Turkey**
